Drew Dempsey is Named Assistant VP at Atrium Health Floyd

Will focus on strategy, planning and medical group operations

ROME, Ga., March 17, 2023 – Drew Dempsey has been named assistant vice president of strategy, planning and medical group operations at Atrium Health Floyd.

A Floyd teammate since 2009, Dempsey has served in a variety of management roles including Physician Billing, Family Medicine Residency, Information Services and Technology, Project Management and Strategic Planning. Most recently, he served as director of Strategic Planning and Primary Care Operations.

“Drew is an integral part of our leadership team at Atrium Health Floyd,” said Matt Gorman, vice president of corporate and network services. “His thought leadership and broad-ranging expertise have contributed to numerous successes over his 14 years here. Most recently, Drew has led significant growth in our specialty clinics while also working to integrate our local Strategic Planning team into Atrium Health’s enterprise structure. In his new role, Drew will continue this work at Floyd and will expand our strategy team’s partnerships across the region. Drew is well-deserving of this recognition, and I’m pleased to join with many others to celebrate his success.”

Dempsey earned his Bachelor of Science degree in Business Administration from Shorter University. He received his Master of Business Administration from Berry College. He is a Lean Six Sigma certified Green Belt, a member of the American College of Healthcare Executives and a member of the Society for Health Care Strategy and Market Development.

He is married to Kristen Dempsey, who also works for Atrium Health Floyd, and the father of four children. In his leisure time, he enjoys cooking, reading and spending time with his family.

About Atrium Health Floyd

The [Atrium Health Floyd](#) family of health care services is a leading medical provider and economic force in northwest Georgia and northeast Alabama. Atrium Health Floyd is part of [Advocate Health](#), which is headquartered in Charlotte, North Carolina, and is the fifth-largest nonprofit health system in the United States, created from the combination of [Atrium Health](#) and Advocate Aurora Health. At the center of these services is Atrium Health Floyd Medical Center, a 304-bed full-service, acute care hospital and regional referral center. Atrium Health Floyd employs more than 3,500 employees who provide care in over 40 medical specialties at three hospitals: Atrium Health Floyd Medical Center in Rome, Georgia; Atrium Health Floyd Cherokee Medical Center in Centre, Alabama; Atrium Health Floyd Polk Medical Center in Cedartown, Georgia, as well as Atrium Health Floyd Medical Center Behavioral Health, a freestanding 53-bed behavioral health facility, also in Rome; and a primary care and urgent care network with locations throughout the service area of northwest Georgia and northeast Alabama.
